

GROUP MEMBERSHIP - FACT SHEET

Process:

1. Find 5 people in your organisation who would like to be members of the YTN (minimum qualification number)
2. Submit a Group Membership Application Form (see website to download)
3. **Each of the five individuals also need to submit an Individual Membership Application for the Group Membership to be granted**
4. Once all of this information is received and verified by the Membership Co-ordinator, the organisation will receive Group Membership status, and the employees will receive a 10% discount on their membership.
5. From that time, any eligible employee of the organisation will receive a 10% discount on their YTN membership and the organisation/business will be featured on the YTN website.

Benefits:

- Discounted membership rates for employees (when 5 or more are joined)
- Employees receive all benefits as outlined in the 'Individual Membership' category
- Recognition of organisation/business as a Group Member on the Young Tourism Network website with logo representation, linked to your business/organisation's website.

Your organisation/business will benefit greatly through supporting your young employees and having them involved with this state wide industry networking group.

***Please note:** Group Membership does not entitle the organisation/business to Tourism Alliance Victoria Member benefits, only the individual employees that are members will receive network membership benefits.*
